

## 建筑密封胶，结构胶检测认证

OCT 可以根据客户需求，提供建筑密封胶，结构胶的检测，认证咨询服务。

联系方式：朱先生 13825133970, [laker.zhu@oct-cn.com](mailto:laker.zhu@oct-cn.com)

美国 ICC-ES 认证，欧盟 CE 认证

|                       |                                                                                                                                                                                        |
